Marrath

Smart home automation

Why Marrath?

Smart home solution that you cannot resist!

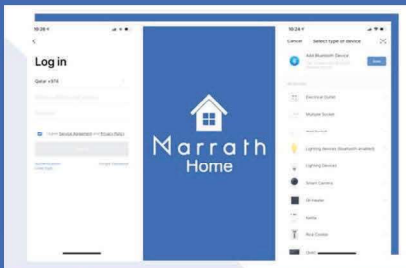

Passionate people committed to deliver premium quality products and services for smart home.

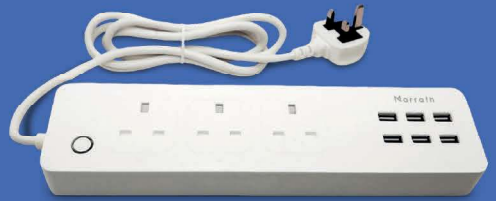

Marrath is driving the innovation in Internet of Thing (IoT) solutions in various walk of life starting from Smart Home Solutions. Your city and Home will be doing things you never imagined possible. To make your life smarter and enjoyable start with our Smart Home solution to completely automate home security, access control, lighting control, climate control, shade control, entertainment, Irrigation control, health control and many more using our smart home products and mobile APP.

All our products can be managed from one mobile APP. This facilitate easy automation by connecting the smart devices to the mobile phone. For example, you can make all the light flash if smoke detected, push notification to mobile when someone moved in front of the video door bell, on the hall light when the front door is opened and many more. Our smart home products present immense opportunities for home automation which you never thought possible.

All the members of the family can freely download and install the Marrath Home APP and share the devices to jointly monitor and control your home.

Marrath is a leading international brand in home automation. Our retail smart home products are available in international markets at leading malls and stores. All our products are certified according to the international standards for safety. Our smart water purifier, air purifier, door sensor, gas sensors and motion sensor have received German Red Dot design award. Our strength is in applying technology to solve real life problems to make our home safer, secure, energy efficient and comfortable which can provide peace of mind.

Smart Wi-Fi Multi plug power strip | Smart Wi-Fi 16A plug

- ☑ Plug anything to the power strip and control from anywhere in the world.
- ☑ 6 USB port and 3 power sockets.
- ☑ Schedule automatic on and off.
- ☑ Countdown timer for automatic on and off the plugged appliances.
- ☑ Add to 'Marrath Home' APP and share the device with all family members.
- ☑ Control the device from anywhere in the world.
- ☑ Voice control with Amazon Alexa and Google Home
- ☑ CE and ROHS certified

Smart Wi-Fi body fat Health scale

Daily record 12 health data in your mobile App

- ☑ ITO cutting edge technology with precision sensors to measure 12 Health parameters including weight.
- ☑ Digital scale not only shows body weight, but also syncs data to your APP including Body Fat, Water, Muscle, BMI, BMR, Bone Mass, Protein, and other data.
- ☑ Measure 12 health parameter automatically every time you step on to the scale.
- ☑ Stainless steel sheet and Ultra-white strong tempered glass.
- ☑ Get historical graphs of the health parameters in your mobile and compare the results.
- ☑ Automatically identify the person and record the health parameter of the family member correctly in the mobile APP.
- ☑ Add to 'Marrath Home' APP and share the device with all family members.
- ☑ CE and ROHS certified.

- ☒ More than 16 million colors to choose from the color wheel in the APP.
- ☒ Schedule automatic on and off.
- ☒ Change the color individually or in entire groups of bulbs.
- ☒ All colors are dimmable.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Control the lights from anywhere in the world.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified.

- * MECHANICAL KEY

Smart Wi-Fi 1080p full HD PTZ CCTV Auto Tracking Camera

- ☑ Send push notification to your mobile when any motion detected in front of the camera.
- ☑ It automatically takes a photo of every movement in front of the camera and sends pictures to your mobile.
- ☑ Noise detection and two-way communication.
- ☑ HD 1080 pictures for high definition clarity and night vision up to 8m
- ☑ Power the camera and connect to the 'Marrath Home' APP to start viewing immediately.
- ☑ Highly encrypted video channel to protect your privacy.
- ☑ High durability, Metallic body and weatherproof.
- ☑ Provision for SD card and cloud storage.
- ☑ Add to 'Marrath Home' APP and share the device with all family members.

Smart Wi-Fi HD Weather proof outdoor plug and play CCTV camera

- ☒ Two-way voice real-time face to face call with visitors.
- ☒ Unlock the gate for the visitor from indoor screen and mobile APP.
- ☒ Support 2 outdoor call panel + 4 indoor monitor + 2 CCD camera & 2 alarm sensors.
- ☒ 7 inch LCD touch button screen. (4 wire or Cat 6)
- ☒ Provision to store photos and videos in TF card or in cloud.
- ☒ Two-way intercom between the indoor monitors among different room /family.
- ☒ Push notification to mobile when a visitor press the call bell and video call with visitors from the screen or mobile APP.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ CE and ROHS certified.

Smart Wi-Fi Video intercom system with fingerprint, RFID cards, Passcode, and Mobile APP gate unlock

Smart Wi-Fi HD Video Doorbell with chime

- ☒ Two-way voice real-time face to face video call with visitor.
- ☒ Push notification to mobile when a visitor press the call bell.
- ☒ Motion detection alarm to the mobile APP.
- ☒ Automatically takes 20 seconds video of every movement in front of the doorbell and sends to your mobile APP.
- ☒ Rechargeable Battery Wireless Security Doorbell.
- ☒ 1080P HD Images & Night Vision.
- ☒ Two-Way Audio & Weatherproof IP65.
- ☒ 10 Minutes Quick Set-up.

Smart Gas leakages Sensor

- ☒ Natural gas monitoring, high-decibel alarm, remote self-test.
- ☒ It detect the concentration of natural gas to determine whether gas leakage has occurred and issue an alarm through an indicator light, high decibel buzzer and push notification to Marrath Home APP
- ☒ Support remote mute, regular local self-test and APP remote self-test to ensure the product is effective and reliable.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified.

Smart Wi-Fi Smoke Sensor and Fire Alarm

- ☒ Detect smoke in real-time, emit light and sound to alert.
- ☒ Push notification to mobile when smoke detected.
- ☒ Low battery consumption and high security.
- ☒ Hush function and fault self-checking function.
- ☒ Automatic reset if smoke disappeared.
- ☒ Infrared Photoelectric Sensor
- ☒ Acousto-optic alarm / LED alarm
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified.

Smart PIR motion sensor

- ☒ Monitor on human movement, latest spherical lens quaternary sensor, one second installation, freely adjustment of angle
- ☒ Imported advanced quaternary pyro electric sensor and intelligent temperature compensation algorithm.
- ☒ German Red Dot design award 2020.
- ☒ It's detection angle can be adjusted freely by 360°
- ☒ With the PIR motion sensor at entryway, the light will be automatically on when people get up in the night, then the light will be off after 10 minutes with nobody walking.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified.

Smart Temperature and humidity sensor

- ☒ Precision detection, narrow edge design and expression display.
- ☒ Real time monitoring show temperature and humidity changes using latest Swiss Sensirion sensors.
- ☒ German Red Dot design award 2020.
- ☒ With a multifunctional gateway, use Marath home APP to set up ecological product connections to achieve intelligent linkage in all scenarios and bring users a safe and smart home experience.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified.

Smart Wi-Fi Universal remote to make your mobile as your remote

- ☒ Remote control air-conditioning, TV, and set-top box, speakers and all other remote controlled appliances;
- ☒ Your mobile is your remote now. Instantly make your appliances smart.
- ☒ Control your appliances from anywhere in the world.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home
- ☒ CE and ROHS certified.

Smart Wi-Fi Automatic pet feeder with camera, 2-way audio

- ☒ Real-time remote viewing pet food, photographs and videos.
- ☒ Super wide-angle lens, covering the 110-degree viewing angle
- ☒ Automatic feeding: automatic feeding up to 4 set meals, set up to 15 copies of each meal, you can choose broadcast file.
- ☒ Manual Feeding: setting a maximum 15 parts
- ☒ Remote Setup feeding music, audio files are selectable during feeding.
- ☒ Input / Output: Supports two-way voice sharing
- ☒ Alarm: Detection of shortage of food alarm, feeding failure alarm, etc.
- ☒ Alarm notification: Push notification to mobile.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home
- ☒ CE and ROHS certified.

- ☒ Know the quality of the purified water in your Mobile APP.
- ☒ Red, yellow and green lights remind the filter status.
- ☒ Filter replacement reminder push notification to the Marrath Home APP.
- ☒ Do It Yourself easy filter replacement.
- ☒ German Red Dot Design award.
- ☒ Polypropylene folded (PP cotton + Carbon rod): 3 in 1 composite filter, easier to purifier, intercepting large particulate impurities remaining in the water. Absorption of residual chlorine, odor, color, etc.
- ☒ RO reverse osmosis membrane: Purification accuracy of 0.0001 microns, remove bacterial, chemical pesticide residues, radioactive particles, etc.
- ☒ Rear carbon rod: Remove odor from water, improve taste and make the water sweeter and more delicious.
- ☒ 400G large amount of water purification capacity
- ☒ Drinking immediately after filtering and 1L/min Water output.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ CE and ROHS certified.

Smart Wi-Fi RO reverse osmosis water purifier

Smart Wi-Fi HEPA air-purifier with ionizer and UV lights

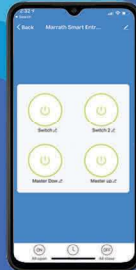

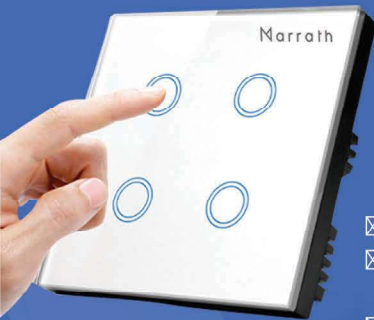

- ☒ Features an automatic air quality sensor system that measures your air quality and adjusts the fan speed in real-time.
- ☒ The display on the unit will continuously diagnose your air and display the air quality level (green, yellow, red).
- ☒ Kill viruses and bacteria.
- ☒ The Marrath air purifier captures 99.9% of dust, allergens, pollen, pet dander, smoke, mold, and odor using its true HEPA filtration system.
- ☒ Air purifier + ionizer design + UV light (3 in 1).
- ☒ Visual display of air quality and touch buttons.
- ☒ Low noise, peace of mind sleeping.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ CE and ROHS certified.

- ☒ Programmable Cooling Fan Coil Unit Two Pipe System.
- ☒ Acrylic lenses to avoid the finger scratch.
- ☒ Touch Button makes a simple operation.
- ☒ Large screen display with backlight is easy to read even in the dark.
- ☒ Six periods of program schedules maximize comfort and economy.
- ☒ One-touch temp control overrides program schedule at any time.
- ☒ Precise comfort control keeps the temperature within 0.5°C of the level you set.
- ☒ Data memory when power is off.
- ☒ Easy installation. 86mm normal box. Just replace the old thermostat with new one for your villa, flats, offices and hotels.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified.

Smart Wi-Fi touch Thermostat

Smart Wi-Fi touch Switch

- ☒ Touch button to turn On/Off.
- ☒ Waterproof, fireproof and Anti-Scratch crystal toughened glass panel.
- ☒ Simple solution for full lighting automation.
- ☒ Save energy by setting the exact time to turn lights on/off automatically.
- ☒ Enhance interior aesthetic of every home.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Control the lights from anywhere in the world.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified

Smart Wi-Fi window curtain motor and track system

Smart WiFi Window Roller Blind Motor and Track System

- ☑ Schedule automatic open and close of all curtains.
- ☑ Control curtain individually or in entire groups.
- ☑ Durable, heavy-duty, very quiet smart curtain and aluminum rod.
- ☑ Light touch-trigger: manually pulling the curtain can trigger the motor to operate automatically
- ☑ Multiple control methods: Use remote, smart switch and smartphone to open and close.
- ☑ Control the curtains from anywhere in the world.
- ☑ Voice control with Amazon Alexa and Google Home
- ☑ CE and ROHS certified.

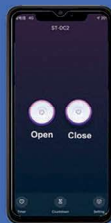

Smart WiFi Water Valve Timer for Irrigation

- ☒ Smart WiFi Water sprinkler Timer Valve
- ☒ Schedule automatic open and close of the valve
- ☒ Automatic timer to open and close the valve
- ☒ Open and close the valve using marrath home APP
- ☒ Control from anywhere in the world using mobile
- ☒ USB charge (DC5V/2A)
- ☒ Get the live status of the valve in the APP
- ☒ Valve will close automatically if there is power failure
- ☒ Add the valve to the APP and share the control with all family members
- ☒ Voice control using Alexa and Google home
- ☒ CE and ROHS certified

Smart Wi-Fi Sliding gate motor

- ☒ Gear-driver with Magnetic limit switch.
- ☒ The self-locking electromechanical gear motor keeps the gate completely closed.
- ☒ Safety Obstruction Reverse (An infrared beam must be installed).
- ☒ Overheat & Overload dual protection.
- ☒ Emergency release key in case of power failure.
- ☒ Control panel wiring are available to safety device, alarm lamp & remote control.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified.

Smart Wi-Fi swing gate motor

- ☒ Toughened glass with precision sensors to measure 12 Health parameters including weight.
- ☒ Digital scale not only shows body weight, but also syncs data to your APP including Body Fat, Water, Muscle, BMI, BMR, Bone Mass, Protein, and other data.
- ☒ Measure 12 health parameter automatically every time you step on to the scale.
- ☒ Get historical graphs of the health parameters in your mobile and compare the results.
- ☒ Automatically identify the person and record the health parameter of the family member correctly in the mobile APP.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ CE and ROHS certified.

Smart Bluetooth body fat health scale

Motion & Light sensor GU10 LED bulb

- ☒ Built-in motion sensor.
- ☒ Automatic on when someone moves in detection range, and off after 30 seconds when there is no movement.
- ☒ Built- in light sensor, only turns on when the ambient light is dark and motion detected.
- ☒ Energy efficient, Eco-friendly and long life
- ☒ CE and ROHS certified

Smart Wi-Fi door / window / safe / locker sensor

- ☒ Alarm mobile when someone opens or closes the door / window / safe / locker.
- ☒ Know the open /close status of the door in the APP.
- ☒ German red dot design award.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified.

Smart Wi-Fi Fan Switch

- ☒ Touch button to turn On/Off.
- ☒ Waterproof, fireproof and Anti-Scratch crystal toughened glass panel.
- ☒ Enhance interior aesthetic of every home.
- ☒ Add to 'Marrath Home' APP and share the device with all family members.
- ☒ Control the lights from anywhere in the world.
- ☒ Voice control with Amazon Alexa and Google Home.
- ☒ CE and ROHS certified
